Outline Description	Bastion
Property Description	St Nicholas Bastion is a pentagonal bastion with casemated ramparts backed by a sloping terreplein and having an open gorge. The bastion has a casemated battery in its right flank. The casemates along the rear of the faces and flanks were converted into barrack accommodation by the British military in the course of the nineteenth century. A British barrack block was built along the gorge of the bastion in the nineteenth century.

Scheduled by MEPA	Yes	Degree of Protection	Grade 1	G.N. No.	133	G.N. Date	2001
